MEMORANDUM FOR: [REDACTED]  
Associate General Counsel/OL

25X1A

SUBJECT : US vs. IBM

1. A review of some 45 documents forwarded to my office from your staff, which documents formerly were in the possession of the Department of Commerce, has been completed. You will note that in most instances documents previously classified Secret have been downgraded to either Confidential or Unclassified.

2. You will further note that this Directorate did not presume to take action on four of these documents in as much as they had not originated within the DDI. These are marked with the notification "not OER's jurisdiction."

3. There is no objection to your processing this material to comply with the Department of Justice request that the documents may be made available to representatives of IBM. In accordance with our previous agreement, we understand that these documents may be released only to personnel possessing the requisite security clearances and that they must be handled in accordance with the Protective Order as issued by the court.
